Janina Fialkowska wins a JUNO Award!

Congratulations to pianist Janina Fialkowska on winning a 2018 JUNO Award for Classical Album of the Year: Solo or Chamber for her recording Chopin Recital 3!

“Chopin Recital 3 is certainly not just another CD of some of the composer’s best-loved works. It is a unique investigation and subsequent realisation of them, seen through the eyes of a pianist who possesses a genuine insight into the mind of the composer.”
